### **Courses taught at Ecole Normale Supérieure de Lyon since 2012**

*Graduate courses (Master)*

- The economic transformation of Asia since 1870
- Inequalities in Japan since 1950
- Economic valuation of ecosystem services

### **Courses taught at the University Pierre Mendès-France (Grenoble II) in 2011-2013**

#### *Undergraduate courses*

- Economic history

#### *Graduate courses (Master)*

- International business strategies
- Macroeconomics

### **Courses taught at the University Paul Valéry (Montpellier III) in 2007-2011**

#### *Undergraduate courses*

- Microeconomics
- Territorial economics

#### *Graduate courses (Master)*

- International economic relations
- Sustainable development and governance

### **Courses taught at the Australian National University in 2006-2007**

#### *Undergraduate courses*

- Introduction to international business
- Economic integration and business in Europe
- International logistics

#### *Graduate courses (Master)*

- Business strategies in Europe
- International logistics management

### **Courses taught at the University Paul Valéry (Montpellier III) in 1994-2002**

#### *Undergraduate courses*

- Macroeconomics
- Money and finance
- Economic growth and business cycles
- European economic integration
- Development economics

#### *College of Cultural Engineering (IUP ingénierie culturelle)*

- Economic history of arts and culture

#### *Master (DESS) in Human Resource Management*

- Business strategies and human resource management in Japan

### **Others related activities**

Consulting on business strategies in Japan since 1995, and on sustainable development (since 2006 (consultant for the Blue Plan in 2008-2009, and for the World Bank in 2010-2011).

Seminars in learning expeditions organized in Japan (since 2004).

Convener of the *Lunch Seminar on the Japanese Economy*, at the *Maison France Japonaise*, Tokyo, a monthly meeting of expatriates in private sector institutions, academics, and embassies economic staff members in Japan (2004-2005).

Translation (Japanese into French): Saito, Osamu and Hamano Kiyoshi, *Dissolution du mariage et continuation de la lignée familiale dans la société rurale de l'époque Tokugawa* (Ebisu 36, 2006).
